

Art Programs Internship

About Africa Center Hong Kong:

Africa Center Hong Kong is a platform and creative hub that fosters value-creating interactions between African and non-African communities in Asia. Our products and services focus on bridging cultural differences and therefore fostering relations and cultural understandings between communities. We are a social enterprise that understands the need for community representations and diverse experiences thus trying to fulfil those needs through great products and services for our clients with a broader long term view and a firm emphasis on client satisfaction. We are driven by our social impact and influential practices of fostering conversations through innovation and entrepreneurship.

About you:
